

# Stainless Steel 'O'BSERVE Food Servery Counters

UK Registered Design No. 3012261.

The Stangard 'O'BSERVE series of Food Servery Counters provide clients with the facility to incorporate brand logos or food descriptions within the display gantry structures; this enhances food display & provides a branding opportunity at point of service.

Satisfied clients include Celtic Football Club, Chester Racecourse, Stadia Conference & Banqueting at Dunfermline FC, Oofoodoo Pasta House & Napier University, Edinburgh.

YOUR  
LOGO  
HERE

This is one example of Stangard's innovation with food servery counter design, featuring our unique 'O'BSERVE display gantries, which can incorporate a laser cut inset stainless steel disc or printed Perspex or etched glass display panel with client's logo or brand.

A full range of refrigerated, heated and ambient service units are available to client's bespoke requirements. Key features include the unique circular 'O'BSERVE gantry supports curved glass shelf & sneeze screen. Deep servery frontage with optional matching circular trayslide & foot rail. Units available for self & assisted service or island units for self-service from both sides.
